

The Fortnightly **REVIEW**

OF THE CHICAGO DENTAL SOCIETY

MARCH 15, 1948

Volume 15 - Number 6

PRINTERS "OUT"

The walk out of the printers from the major printing establishments in Chicago will hold up the issuance of The Fortnightly Review indefinitely. This will necessitate one or two "makeshift" editions which will contain only the bare essentials.

Just when the printers will return to work is anyone's guess, and in the meantime we crave your indulgence.

NEWS AND ANNOUNCEMENTS

DR. KESEL TO BE HONORED AT DINNER

Dr. Robert G. Kesel, President of the Illinois State Dental Society, will be honored at a testimonial dinner sponsored by the Aurora Dental Society on Monday evening, April 5. Dinner will be held in the Sky Club of the Leland Hotel, Island Avenue and Main Street, Aurora.

Tickets may be purchased at \$5.00 each from Dr. J.M. Williams, 52 Downer Place, Aurora. All professional friends of Dr. Kesel and their ladies are cordially invited to attend and are urged to purchase their tickets before March 31.

DUNNE'S REPORTS ON MICHIGAN LIFE

Dunne's Insurance Report for 1947 gives the Michigan Life Insurance Company an A+ (excellent) rating. Founded in 1927 under the insurance laws of the State of Michigan, the company has completed nineteen years of successful operation. Besides its home State of Michigan, the company is licensed to do business in Indiana, Illinois and Ohio, and is subject to periodical examinations by the Insurance Departments of these States.

The resources of the company as of December 31, 1946, totaled \$7,746,683. The liquid position (quick availability of capital funds to meet emergencies) is very good. The company has a reputation for paying its just claims promptly and fairly. As of the close of the year there were no claims due and unpaid. After setting aside specific amounts to cover all obligations, known or expected, the company held \$1,724,928 surplus funds for the extra protection of its policyholders.

The officers have enjoyed many years of successful experience in insurance and finance, are well known and highly regarded in their respective communities, and are conducting the affairs of the company for the best interests of the policyholders.

L 617.606 116
7

Based on the foregoing analysis of its condition and affairs as of December 31, 1946, and the appraisal of its management, Dunne's concluded that the Michigan Life Insurance Company was worthy of public confidence, and so recommended it.

EDITORIAL

RED CROSS FUND

In times of disaster everyone instinctively looks to the Red Cross. At the sounding of the first alarm, workers trained for any emergency are rushed to the spot and in no time at all have the situation well in hand. The year 1947 will long be remembered as one of major disasters. The Texas City explosion, the Florida storms, the Gulf hurricane, the Oklahoma tornado, the Iowa floods, and the Maine forest fires all took a terrific toll in life and property. As usual, the Red Cross was the first agency on the scene, directing, rescuing, rendering first aid, and giving out food supplies even before the long arm of the Federal Government could put its forces in motion.

However, taking care of the victims of disaster is only one of many services performed by the Red Cross. Another and equally important one is its National Blood Program. The use of whole blood, plasma and blood derivatives in World War II established a life-saving record never before approached in the history of warfare. This miracle can be performed in peacetime as well. The goal of the National Blood Program of the American Red Cross is to provide for medical use, to families who can't afford the commercial product, sufficient blood and blood derivatives to help save lives and prevent needless suffering. There is no satisfactory substitute for human blood - the only source is people.

The goal of the 1948 Red Cross Fund campaign of the Chicago Chapter is \$3,000,000. If this seems like a lot of money, compare it with the peak wartime goal of \$12,000,000 in 1944. In peace or war, the Red Cross calls but once a year. Let's be generous!

APPLICATIONS FOR MEMBERSHIP

The following applications have been received by the Ethics Committee: Any member having information relative to any of the applicants, which would affect his membership, should communicate in writing with Walter J. Nock, 2735 Devon Ave.

APPLICANTS:

BURTZOFF, ALBERT L. (C.C.D.S. 1930) West Side, 55 E. Washington St. Endorsed by Leo M. Gotteiner and George C. Pike.

NEWS OF THE BRANCHES

Editor's Note: Due to lack of space, the Branch columns have been cut and contain only current news.

KENWOOD-HYDE PARK

The millennium has come, and am I happy! Four members called and gave me news for the Fortnightly unsolicited. Believe me, I do appreciate your calls and hope that now the ball is rolling, you will keep it going. Thanks again...First of all, my apologies to M. W. Case for failing to include him in the list of clinicians. His clinic on Hemorrhage Control was certainly well attended and very worth-while. Mel has now installed two new motor-driven chairs which he says will help to take the "x" out of Exodontia. Shall be up to inspect. Incidentally, Mel is leaving for Florida March 1. Have a nice trip and come back well rested...Our sincere sympathies to Wayne and Mrs. Fisher in the loss of Mrs. Fisher's father...Larry and Mrs. Mullineux made a hurried trip to Centralia to visit Mrs. Mullineux's father who was ill, but we are happy to report he is much improved...Stanley Korf is now on the Dentistry for Children staff of Michael Reese Hospital. Congratulations, Stan...Howard Shepard attended the 25th Anniversary Class Reunion of the University of Minnesota School of Dentistry, Class of 1923. Howard will give a clinic while there before the Minnesota State Dental Meeting at St. Paul. Another member of the Class of '23 in attendance was Howard Strange. The two Howards had a great time. Another Kenwoodian in attendance at the Minnesota meeting was P. L. Mathisen, who gave a full denture clinic. P.L. said that it was a swell meeting...Ernie Borgerding will be heading for Tucson, Arizona, to attend the meeting of the Charles Tweed Study Group. That sunshine sure will be welcome, Ernie...Willard Johnson has now become a resident of Beverly Hills, where I understand he has bought a very lovely home. Many years of happy living, Willard!...Bob Pinkerton is traveling to South Suburban to give a clinic on Crown and Bridge before that group...Our next meeting will be devoted to Dental Health Education, and will be sponsored by the Dental Health Education Committee of the Chicago Dental Society. This committee is doing a real job of dental health education in the schools, P. T.A., Service Clubs, and industry. Be on hand to learn more of its fine program and to learn more about another fine service that Organized Dentistry is doing for you and me. That date will be Tuesday, April 6, at the Broadview, 5540 Hyde Park Blvd. Dinner will be served promptly at 7 p.m. and the meeting will begin at 8. For dinner reservations call Bob Rowan at Butterfield 2724...April 6 will also be Election Night for Kenwood. The majority report of the Nominating Committee named the following candidates for the offices indicated: Director to Chicago Dental Society - Walter E. Dundon; Director to Kenwood-Hyde Park - W. L. Spencer; President Elect - Lawrence R. Johnson; Vice President - John M. McBride; Secretary - Robert L. Kreiner; Treasurer - J. R. Carlton. A minority report of the Committee named S. W. Cotter as a candidate for Director to Chicago Dental Society but accepted the candidates named for the other offices...Thanks again for your news items. If you have any more, call South Chicago 1823. - Elmer Ebert, Branch Correspondent.

NORTHWEST

"Very cold and many clinics" is the notation on a card I received from Henry Boris and Dan Klein, who spent a few days conventioning at St. Paul. ...Joe Ullis is chairman of the Golf Committee for the Xi Psi Phi Fraternity outing to be held at the Itasca Country Club, July 28...Charley Frost and his wife attended their nephew's wedding in New York...Pete DeBoer and family were winter sporting a few days at Land O'Lakes...George Ulvestad is sporting about in a - well what do you know? - in a Lincoln automobile.... Walter Niedzwizadek, that comely, quiet, recent addition to the Branch, is a firm believer in the adage that everything comes to people who wait. Here are three reasons why. First, a brand new apartment was his good fortune; second, the acquisition of a new Frazier automobile; and third, he became the proud daddy of a six pound-three ounce baby girl called Cynthia. Rover Boys, take notice of this guy!...During the Midwinter Meeting Lamar Harris was the recipient of an award for meritorious service to dentistry in the field of plastics, presented by the American Academy for Plastic Research in Dentistry. Congrats, Mr. President...Birthday greetings to Treasurer Joe Ullis...With the coming of spring, how about more news, boys!...See you next month. - John M. Gates, Branch Correspondent.

NORTH SUBURBAN

On February 17 the Glencoe-Winnetka-Kenilworth Study Club met at the Hearthstone House in Hubbard Woods. The speaker of the evening was Dr. Lauritzen, who formerly practiced in Copenhagen, Denmark. Dr. Lauritzen lectured on "Bite Analysis and Occlusal Corrections" with excellent colored film to illustrate his lecture...Officers for the Study Club for this year will be the following: President - C.W. Mansfield; Vice President - A.C. Fonder; Secretary-Treasurer - A.A. Gilbert. - R.J. DeWolf, Branch Correspondent.

WEST SIDE

Bill Gubbins is so pleased with his first progeny that he has placed an order with the stork for a second. This time for a boy, naturally!...S.S. Metclaf and family enjoyed two weeks' vacation at Fort Lauderdale, Florida. ...The Max Liebermans are vacationing for a month in Phoenix, Arizona...Bob Baxter is also vacationing in Arizona. Bob will take the Board while there. Good luck, Bob!...Jack Ehrlich, Al Sells, Chic Vission, and Sam Kretshmer are continuing their gin rummy match at Waukeshaw, Wisconsin, between mud baths...Art Jirka is building a home in Riverside...Irv Hecht is spending his free time getting his summer home along the Fox River in McHenry County in shape...George Vogt is happy about the lack of work for the Visitation Committee at this time...E. G. Nelson, sporting a new Olds, reports that his son is now fully recovered from a ruptured appendix...Richard Leavitt is busy these days with plans for the marriage of his daughter in June...Maurice Berman will present a Clinic at the 66th Homecoming at C.C.D.S. on April 13. His subject will be "Indications and Contra Indications for Orthodontic Treatment"...Did you know that Howard Michener's daughter was "Miss Travel" at the International Sports, Travel and Boat Show in Chicago?...The next meeting of the Forum will be held at noon on March 16 at the Steak House, 3929 W. Madison. Guest speaker will be Dr. Eli Olech who will speak on "Principles of Oral Surgery". - Irving Fishman, Assistant Branch Correspondent.

WEST SUBURBAN

Fred Mahlke has closed his office and moved to California...W.J.Gresens is now sporting a new car...Ione Kral and George Crane are busy planning for their new offices...Bill Fellman has returned from Florida...West Suburban extends sympathy to the family of Arthur Hughes of 1548 S. 56th Ct., Cicero, who has recently passed away after a long period of illness...Clarence Hanson is still vacationing in Florida...We congratulate Ione Kral, who was elected National President of the Epsilon Alpha National Dental Society for the years 1948 and 49...B.T.Meehan is taking his family on a month's trip to Florida...Jim Betty was laid up for a week with an injured knee after taking his kids out in the snow. He will try to keep up with the younger generation! - R. W. Wirth, Branch Correspondent.

NORTH SIDE

Don't forget our next meeting, April 5, at the Edgewater Beach Hotel. This is Clinic Night and Chairman William S. Grabow would like to hear from any of you who will put on a clinic. Election of North Side officers will also take place...J.C.Brock, Jr. is enjoying himself on his farm this month. He is completing plans for a house he contemplates building soon...Henry L. Handelman had hoped to be down in New Orleans, but his plans were changed. He now hopes to take the trip later on...Arthur E. Lind is concentrating all his efforts on his office. He plans to beat any depression or recession that might show up...At this writing, Vincent Madda is well on his way to California. He anticipates a month's sojourn...A.T.Gunnarson is snowed under with work, so trips or vacations are out as far as he is concerned...Gene Callahan became the proud father of a boy in January, and Bill Osanski of a girl in February. Congratulations, boys...Clarence R. Quinn spent an enjoyable time at the Midwinter Meeting, and is now putting his knowledge into practice.... Alfred Erickson reports that Robert J. Heurlin is basking in the sunshine in Florida...Julius Ferm, Wilfred Corcoran and Raymond Orsinger have been on the sick list, but we hope that at this writing they are back at their offices doing their stuff...With over 800 members on the North Side, wouldn't it be wonderful if about 400 showed up at our next meeting? No! not that, fellows! Do you want our President to die of a heart attack? We might try a 25% showing. See you Monday, April 5, at the Edgewater Beach Hotel. - N. M. Elliott, Branch Correspondent.

ENGLEWOOD

The sunny South has beckoned several of our members to a restful vacation in Florida. Gus and Mrs. Solfronk and daughter Betty have already left. John and Mrs. Lace are planning a five weeks' stay. Adolf Gumpel and wife just purchased a Roadmaster Buick to enhance their pleasure while driving among the Floridian palms. A.M.Saxon and wife are about to leave for a month of the same restful diet...Love has turned J.A.Propati into a happy married dentist as he recently took lovely Roselander, Flora Saturno, as his wife. They have just returned from a three weeks' honeymoon in Phoenix, Arizona...Lawrence Lucas is now located in his new office in the Parkway Theatre Bldg.... Congratulations and best wishes for a long and successful career...G.J.Heyboer has recently purchased a beautiful 3-flat building on 8328 S.Throop St., converting the basement flat into a comfortable dental office...Mrs. Edwin Tharp and son have joined Lt.Comdr. Ed at Ewa Marine Base in Oahu, Hawaii (near Honolulu), and are getting the experience of home life in a Quonset hut. Their two year stay there will have earned them the rightful title

of past (p)resident. Happy housekeeping...T.H.Vermeulen is anxiously waiting for the day when he can fly his reconditioned "Sea Bee". From now on he hopes to avoid submerging his airplane into the rough, deep waters of Lake Michigan...T.H.Vermeulen wishes to sincerely thank A. Gumpel, R. VanDam, R. Tharp and J.S.Boersma who served with him as examiners at the Saint Michael Parochial School where over 500 children were examined...Kindly send all news for next month's issue to Robert J. Tharp, 11112 S.Michigan Ave., Pullman 9426. - John S. Boersma, Assistant Branch Correspondent.
